

Replace USB stick

Written By: StJohn Vuetilovoni

TOOLS:

- [Small Phillips head screwdriver](#) (1)
- [Anti magnetic tweezers](#) (1)

PARTS:

- [AIC MSD01-S](#) (1)

Step 1 — Get technical advice

- ❗ The USB stick that comes with your AQY 1 has been specifically selected for its performance and reliability. Using an inferior USB stick may compromise the operation of your AQY 1.
- If you suspect you need to replace your USB stick, contact [Technical Support](#).

Step 2 — Buy recommended USB

- If Aeroqual confirms you need a replacement USB stick, buy an [Samsung USB Flash Drive BAR](#)

[Plus](#). This is an Aeroqual-tested USB stick.
